DAY 2 – 03/04/2017 – VISITING TECHNICAL UNIVERSITY OF CRETE – TUTORIAL ON THE E-ARTINED LEARNING PLATFORM – DISCUSSION ON THE STRUCTURE AND CONTENTS OF THE E-ARTINED TRAINING PROGRAMME

- 09:30 Departure for Technical University of Crete at Akrotiri, Chania
The objective of the visit is to have a 3-hour tutorial on the learning portal of the project developed by TUC (IO O6) and discuss on the structure and organization of the training programme to be implemented during the last year of the project. Accompanying persons and children are invited as well to follow. TUC will try to organize some activities for the children related to New Media Arts either in the University or in a school that TUC is collaborative with in the project.
The transfer to the destination and the return back will be done with the cars rented by the participants. 6 persons max could use car of hosting partner. This arrangement has been selected so that the participants are free to visit Chania or any other place along the route after the end of the visit to the Technical University of Crete
- 11:00 Arrival to the Technical University of Crete – Coffee and refreshments
- 11: 30 First part of the tutorial on the learning platform
TUC will present the current implementation and demonstrate how a training course is from the perspective of trainee that follows the course.
In parallel, the accompanying children and their parents/teachers can have a session on New Media Arts use for learning or visit a school with which TUC is collaborating with the project.
- 13:00 Lunch at the Technical University student restaurant
- 14:00 Coffee and refreshments
- 14:30 Second part of the tutorial on the learning platform
TUC will present how a course is created in the learning platform. This is the process that all partners should follow in order to prepare the courses to be offered during the last project year. Partners follow the steps to set-up the courses they are responsible for.
Discussion on the structure of the courses to prepare for IO O5 “e-ARTinED online Course”.
In parallel, the accompanying children and their parents/teachers can have a session on New Media Arts use for learning integrating traditional arts as well.
- 16:00 End of meeting
The participants are free to visit Chania and return to Dalabelos when they decide.

DAY 3 – 04/04/2017 - JOINT MEETING WITH MULTILIB PARTNERS – EXPERIMENTAL LEARNING ACTIVITIES – DISCUSSIONS ON SYNERGIES BETWEEN THE TWO PROJECTS.

- 09:00 Meet at the breakfast serving place of Dalabelos.
Discussions for the collaboration of MultiLib and e-ARTinED projects regarding:
- *Their teacher training activities to be implemented next year and*
- *Pilot activities with schools and corresponding best practices implemented or to be implemented*
- 10:00 Visit to the Dalabelos farm – Learning about the Cretan Nature
Possible discussions of ideas for future collaborations and joint initiatives on exploring Nature through Arts and Literature
- 12:30 Discussion on organic farming and sustainable food on holiday
- 13:30 End of morning activities
The participants are free to rest and/or have lunch or do any other activity they choose. Optional visit to Maroulas village nearby to see the excellent Venetian era Villas and Castles (for interested participants).
- 16:00 Bread making the Cretan way – Experiential learning activities
Parallel discussions on cooking as a learning environment and ideas for future initiatives integrating cooking with Arts and Literature for Social Inclusion and Inclusive Learning formal, non-formal and informal learning.
- 19:30 End of afternoon activities
Participants are free to rest and/or have dinner or do any other activity they choose
